

2016 Summer Business Summit

Staying at the Harrah's Cherokee Hotel for the Real Time Pain Relief Business Summit?

If so, RTPR has set aside a block of rooms at the **Harrah's Cherokee Hotel** for the 6/6 – 6/7 Business Summit.

The block extends from check-in on 6/5 to check out 6/10 which will provide a lot of flexibility to come in early or stay late to make a vacation out of it. If you use the special Call-in Code you will enjoy the special RTPR discount rate of \$139.00 per night.

If you would like to stay at the Cherokee remember, **there are only a limited number of rooms in this block** and all hotels in the area usually have 100% occupancy in June **so you should make your reservations as soon as possible.**

To book your reservations please call 1-800-427-7247.

When you call-in you must reference the **Call-in Code S06RTPR** to obtain this special rate.

Once the block is full guests will be told there is no longer availability to receive the group rate or perhaps a room at all. If they still have availability in the hotel outside of our block, the call center agents will quote the best rate available

In cases where the hotel is full, the call center will refer guests to area hotels.
